

Custom

Your Dream Boat Comes True

Hull number one of the new Grand-Craft 42 ft. Custom Cruiser is a remarkable combination of timeless style blended with contemporary luxury and mechanicals. This boat has the look of a classic and the all mahogany construction gives it a feel of substance not found in today's production boats. Powered by twin Volvo IPS 600 diesels, it is fast and efficient while at sea and a joy to maneuver when docking. Hand made by our team of craftsmen on a very limited production basis, we would like to custom build the next one for you.
